Subject: Technical And AI Club Activity: "AI-Web Nexus" event.

This is to inform all B. Tech, Diploma and Degree students that the Technical and AI Clubs will be hosting a "AI-Web Nexus" (web development) event on **December 26, 2025**, in **Sudharma Hall**.

The aim of web development is to design and develop efficient, responsive, and interactive websites using modern web technologies. It helps students gain practical exposure to real-world web applications, improve their technical and creative skills, and understand the importance of user experience and digital presence.

Note: Please use the Google Forms link available in your WhatsApp groups to complete your registration.

Schedule:

- **Date:** December 26, 2025
- **Time:** 11:40 AM – 1:30 PM
